

City and County Services

With the evolving Coronavirus pandemic, most city and county buildings have closed to the public. However, many offices remain available by phone, online, or by appointment only.

For property records, many counties are available by online search through <http://watch.doxpop.com/property/>. The recording of deeds can be done by mail for most counties.

For all other services and information, please go to the appropriate city or county website for information on available resources. If you are unable to find what you need, please feel free to reach out to Chris Pryor chrispryor@mibor.com, Lacey Everett laceyeverett@mibor.com, Brad Coffing bradcoffing@mibor.com, or Ben Ochs benochs@mibor.com for assistance.
