

# How to subscribe to Solid Earth's Downstream IDX Links

- Go to [www.mibor.com](http://www.mibor.com) and click on "Access The BLC" 

Claim & Maintain  
MIBOR.com Leads

- At the BLC® Dashboard, click on the "Claim & Maintain MIBOR.com Leads" button
  - This will take you to another dashboard page on [property.mibor.com](http://property.mibor.com)
- At the bottom left corner of the page, select "Downstream IDX" 
- The page will refresh and you will be taken to the the subscription page where Solid Earth will ask for your Name and billing information.
- After you have filled in your information, the page will refresh and you will see some default links that are already created and tied to your member number and office id.

## Downstream Links

Create a Downstream link from some quick options, or a saved search.

- Quick Options
- Saved Searches

**Quick Options**

- My Residential Listings
- My Residential Office Listings
- All Residential Listings / Newest First
- All Residential Open Houses

**Add Link**

- The drop down list, as you can see above, already has the basics most need for their website.
- After you subscribe, you can create a saved search on [property.mibor.com](http://property.mibor.com). Those saved searches can be turned into more specific framing links for your site.
