Project Overview:

Small businesses are an integral part of the business landscape in Boone County. The Boone EDC Small Business Co.Lab program, sponsored by MIBOR ECDC, is equipping small businesses with the proper training, tools and peer networks to become scalable and resilient. In each session, participants have the opportunity to listen to topical speakers, network with peers and gain access to necessary resources. Upon completion of this program, participants will be eligible to apply for the Boone EDC Microloan program.
