**DECATUR COUNTY
INCLUSION PARK**

INVESTMENT

\$2,000

Project Overview:

With support from the MIBOR ECDC, Decatur County is working to build an Inclusion Park for the community and surrounding communities, with a goal to break ground in 2023. Inclusion Parks are thoughtfully designed to provide a safe place where children of all abilities can play together and are developmentally appropriate for children of all abilities. An inclusive playground takes away the barriers to exclusion, both physical and social, providing a “sensory-rich” experience for all.

An inclusive playground focuses on the following components to ensure a positive, engaging experience for all children: physical accommodations, engagement, integration, and promoting inclusion.

Inclusion Parks are the places and spaces where people from all walks of life come together to learn, experience, interact and grow. A park should not only reflect the culture and spirit of its community; it should also serve all members of a community.
