

MIBOR ECDC 2022 GRANTEE

EMINENCE PATHWAYS PROJECT

GRANTEE

**EMINENCE COMMUNITY
SCHOOL CORPORATION**

INVESTMENT

\$2,500

Project Overview:

In a community with few activities for students to participate in, Eminence Community Schools is building a small frisbee golf course with the help of the investment from the MIBOR ECDC.

Eminence Community Schools serves a small population of students in the far west portion of Morgan County. As one of the smallest public schools in the state, serving around 330 students, Eminence Community Schools works to stay current with academics, athletics and extracurriculars for their students.

However, the community lacks quality of life amenities. By adding a small frisbee golf course students and community members will have a fun activity to engage in to bring families closer together as well as provide a safe and fun outlet for students to engage in to prevent negative actions.

- + Improves Quality of Life
- + Improves Community Livability
- + Creates Greenspace Improvements
- + Increases Community Engagement and Participation
- + Increases Accessibility of Public Amenities
- + Creates Additional Community Amenities
