

MIBOR ECDC 2022 GRANTEE

# IDENTIFICATION, LOCATION, AND SAFETY SIGNAGE FOR HANCOCK COUNTY TRAILS

GRANTEE

**HANCOCK COUNTY  
COMMUNITY FOUNDATION**

INVESTMENT

**\$3,500**

## Project Overview:

Hancock County Community Foundation is enhancing the local trail system by adding signage with an investment from the MIBOR ECDC. The new signage is not only enhancing the user's experience but also increases safety. The new signs include a numbering system that mimics state highway mile markers and GIS so users and public responders will be able to identify where pedestrians or bicyclists are located in an emergency.

In addition to enhanced signage, an interactive website that provides online maps, as well as printed materials, are being provided to residents, employees, students, and visitors. These resources will provide information to navigate trails throughout the county, removing barriers and increasing equitable access to pedestrian and cycling transportation options.

- + Improves Quality of Life
- + Improves Community Livability
- + Creates Active, Vital Destinations
- + Creates Greenspace Improvements
- + Increases Community Engagement and Participation
- + Increases Accessibility of Public Amenities
- + Fosters Distinctive, Attractive Communities with a Strong Sense of Place
