WHAT IS RPAC?

The REALTORS® Political Action Committee (RPAC) advocates on behalf of REALTORS® and real estate issues that benefit you and me. RPAC is non-partisan in its selection of candidates. Now more than ever, it is critical for REALTORS® across America to come together and speak with one voice about the stability a sound and dynamic real estate market brings to our communities. From city hall to the state house to the U.S. Capitol, our elected officials are making decisions that have a huge impact on the bottom line of REALTORS® and their clients. Through the support of REALTORS® like you, the REALTOR® Party represents your interests.

RPAC has been successful on many issues but we know there are still more on the horizon. For example, we continue to hear a lot of discussion about expanding the sales tax on services that could include real estate services and your commission. RPAC will continue to monitor these and many other emerging issues going forward.
