## Project Overview:

The Boone Economic Development Corporation (EDC) launched a county-wide placemaking program connecting local companies with community organizations to make a difference and promote the spirit of volunteerism. The Boone EDC Day of Service sponsored by MIBOR REALTOR® Association fills a need in connecting local businesses who desire to make a local impact with local community organizations. During the day of service, volunteers work with local communities and nonprofits to complete a wide variety of projects from painting to landscaping to building wheelchair ramps. Over 100 corporate volunteers from 13 Boone County businesses completed 10 service projects throughout Boone County benefiting eight local non-profit organizations.
