

MIBOR Service Corporation

Broker Listing Cooperative® Listing Service

RULES AND REGULATIONS

Purpose

The Broker Listing Cooperative® listing service (hereinafter referred to as the BLC® or the listing service) is a means of enhancing cooperation among Participants; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and customers and the public. (Amended 6/24)

Listing Procedures

Section 1 - Listing Procedures: Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, located within the State of Indiana and taken by Participants, shall be entered into the listing service within two (2) full business days of the listing date:

RESIDENTIAL

1. Single family houses
2. Condominium
3. Multi-Family (2-9 Units)
4. Vacant lots and land
5. Farms and Agricultural
6. Residential Rentals

COMMERCIAL

1. Industrial Buildings
2. Office Buildings
3. Retail
4. Multi Family
5. Commercial Land

A listing must be available for scheduling a showing within 1 day of the listing date to remain in the active status. A Listing that is not available for scheduling a showing shall be indicated with a Temporarily Off Market status.

Failure to enter a listing within the required time frame or failing to allow showings on an Active listing, will result in a violation and subject to fine per the MIBOR BLC® Compliance Policy. (Amended 7/22)

Note: Indiana License law requires a real estate brokerage to establish a written contractual relationship to advertise a property; this would include the placement of a sign, promotional advertising or entry into the service. Placement of a sign or promotion of a listing in any way prior to the written contractual relationship to advertise a property is a violation of Indiana Real Estate License Law.

Listings in the listing service that are not available for showing, will be noted as "Public Internet No" in the compilation of listings.

See Section 1.4 regarding Office Exclusive Listing Disclosure Certification form if the seller refuses to permit the listing to be disseminated by the service.

Personal property such as mobile homes without land may **not** be entered into the listing service.

In addition, non-listed property in which the listing service Participant was the selling broker must be entered into the listing service after closing. (Amended 7/22)

All Listings must include the date of the listing and the date of expiration exactly as shown on the listing contract. The first day of a listing is the date the listing contract becomes effective (regardless of the hour of the day), and the listing expires at midnight of the last day of the listing period agreed upon by the Participant and the seller.

Note 1: The Broker Listing Cooperative® listing service shall not require a Participant to list properties on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the service. However, the listing service, through its legal counsel:

- a. May reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the Participants
- b. Assures that no listing entered into the listing service establishes, directly or indirectly, any contractual relationship between the listing service and the client (buyer or seller)

Note 2: The listing service shall accept exclusive right to sell listings and exclusive agency listings.

The listing agreement must include the seller's written authorization to submit the agreement to the listing service.

The listing service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted because of the inherent nature of an open listing. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interest of their client(s). (Amended 6/24)

The exclusive right to sell listing is the form of listing by which the seller grants exclusive authorization to the listing broker to cooperate with other brokers in the sale of the property. (Amended 6/24)

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis.

Exclusive right to sell listings with named prospects exempted are designated with the listing type of Exclusive Right to Sell – Exclusion.

Note 3: The Broker Listing Cooperative® listing service does not regulate the type of listings its members may take. This does not mean that the BLC® listing service must accept every type of listing. The BLC® listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. The BLC® does not limit the kind of listings Participants accept, however such listings must be handled outside the BLC® listing service.

Note 4: The listing service accepts exclusively listed property that is subject to auction, however, any listing submitted is entered into within the scope of the Participant's licensure.

Section 1.1 – Clear Cooperation Policy: Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the listing service for cooperation with other BLC® Participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications

marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Adopted 11/19)

Note 1: Exclusive listing information for required property types must be entered into the listing service but not distributed to other BLC® Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.4, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be entered into the service and is not currently available to other BLC® Participants.

Section 1.2 - Listings Subject to Rules and Regulations of the Service: Any listing taken on a contract to be entered into the listing service is subject to the rules and regulations of the listing service upon signature of the seller(s).

Section 1.3 - Detail on Listings Entered into the Service: A listing agreement and property data entered into the listing service by the listing broker, shall be complete in every detail which is ascertainable as specified on the property data form.

Section 1.4 – Office Exclusive Listings: If the seller refuses to permit the listing to be disseminated by the BLC® Listing Service, the Participant may then take the listing "office exclusive" and such listing shall be entered into the service but not disseminated to the Participants. Entry of the listing shall be accompanied by a copy of the Office Exclusive Listing Disclosure Certification form signed by the listing agent, managing broker, and seller within two (2) full business days of the listing date. Failure to submit the Office Exclusive Listing Disclosure Certification form within the required time frame will result in violation and subject to fine per the MIBOR BLC® Compliance Policy.

Note 1: Office Exclusive Listings must be distributed to other BLC® Participants through the listing service within (1) one business day of the listing being publicly marketed. See Section 1.1, Clear Cooperation Policy.

Section 1.5 - Change of Status of Listing: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be updated in the listing service within two (2) full business days after the authorized change is received by the listing broker. Failure to reflect changes to the list price; any change to the original listing agreement; or change in the status of the listing in the listing service within the required time frame will result in a violation and subject to fine per the MIBOR BLC® Compliance Policy.

Section 1.6 - Withdrawal of Listing Prior to Expiration: Listings of property may be withdrawn from the service by the listing broker before the expiration date of the listing agreement, provided there is a written agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require the listing service to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that their exclusive relationship with the listing broker has been terminated, the listing service may withdraw the listing at the request of the seller.

Section 1.7 - Contingencies Applicable to Listings: Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants. A listing with the Status Disclosure of First Right Contingency, Limited Purchase Contingency or Awaiting Corporate Signature may remain in the Active status only when the corresponding Status Disclosure is set. Listings that are subject to earnest money delivery, accepting back up offers or are pending contracts, financing, inspections and other conditions may **not** remain in the Active Status. (Amended 7/22)

Section 1.8 - Listing Price Specified: The full gross listing price stated in the listing contract will be included in the information published in the listing service compilation of current listings, unless the property is subject to auction.

Section 1.9 – Listing Address Specified: All listings must publish the assigned property address, unless an address has not been assigned to a property as in the case of a subdivided lot or acreage. Where an address does not exist, a parcel identification number or legal description of the property's location must be provided. In instances in which the seller requests the address not be disseminated to the public, a listing's address may be suppressed from external data feeds. (Adopted 7/22) (Adopted by NAR 11/21)

Section 1.10 - Listing Multiple Unit Properties: All properties which are to be sold, or which may be sold separately, must be indicated individually in the listing. When part of a listed property has been sold, the listing must be updated in the listing service.

Section 1.11 - No Control of Commission Rates or Fees Charged by Participants: A broker's compensation and fees for services are not set by law and are fully negotiable. The listing service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the listing service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants. A broker's compensation for services rendered to a seller or for services rendered to a buyer is solely a matter of negotiation between the broker and their client, and is not fixed, controlled, recommended, or maintained by any persons not a party to the brokerage service agreement. Any compensation paid by a listing broker to a cooperating broker in respect to any listing is established by the listing broker and is not fixed, controlled, recommended, or maintained by any persons other than the listing broker. (Amended 6/24)

Section 1.12 - Expiration, Extension, and Renewal of Listings: Any listing entered into the listing service automatically expires on the dates specified in the agreement, unless renewed by the listing broker and notice of renewal or extension is entered into the service prior to expiration.

If notice of renewal or extension is dated more than 60 days after the expiration date of the original listing, a new listing must be secured for the listing to be entered into the listing service. It may then be published as a new listing. Any extension or renewal of a listing must be signed by the seller(s) and be entered into the listing service.

Section 1.13 - Termination Date on Listings: Listings entered into the listing service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.14 – Service Area: Only listings of the designated types of property located within the service area of the listing service are required to be submitted to the listing service. Listings of property located outside the listing service's service area will be accepted if submitted voluntarily by a Participant but cannot be required by the listing service without the Participant's authorization. Listings outside the service area filed by Participants in another Multiple Listing Service and subsequently entered into the listing service will not be subject to a late listing violation, provided the listing has been entered into their primary service. Once submitted to the listing service, Participant will be required to follow all rules and regulations until listing is closed or the listing expires. (Amended 7/22)

Section 1.15 - Listings of Suspended Participants: When a Participant of the Service is suspended from the listing service for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, listing service Bylaws, listing service Rules and Regulations, or other membership obligation except failure to pay appropriate dues, fees, or charges), all listings currently entered into the listing service by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the listing service beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the Association or Broker Listing Cooperative® (or both) for failure to pay appropriate dues, fees, or charges, an Association Broker Listing Cooperative® listing service is not obligated to provide Broker Listing Cooperative® listing service services,

including continued inclusion of the suspended Participant's listings in the Broker Listing Cooperative® listing service compilation of current listing information. Prior to any removal of a suspended Participant's listings from the Broker Listing Cooperative® listing service, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise his clients.

Section 1.16 - Listings of Expelled Participants: When a Participant of the Service is expelled from the Broker Listing Cooperative® listing service for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, Broker Listing Cooperative® listing service Bylaws, Broker Listing Cooperative® listing service Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently entered into the Broker Listing Cooperative® listing service shall, at the expelled Participant's option, be retained in the Service until sold, withdrawn, or expired, and shall not be renewed or extended by the Broker Listing Cooperative® listing service beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the Association or Broker Listing Cooperative® listing service (or both) for failure to pay appropriate dues, fees, or charges, an Association Broker Listing Cooperative® listing service is not obligated to provide Broker Listing Cooperative® listing service services, including continued inclusion of the expelled Participant's listings in the Broker Listing Cooperative® listing service compilation of current listing information. Prior to any removal of an expelled Participant's listings from the Broker Listing Cooperative® listing service, the expelled Participant should be advised, in writing, of the intended removal so that the expelled Participant may advise his clients.

Section 1.17 - Listings of Resigned Participants: When a Participant resigns from the Broker Listing Cooperative® listing service, the Broker Listing Cooperative® listing service is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the Broker Listing Cooperative® listing service compilation of current listing information. No new listings may be entered into the Broker Listing Cooperative® listing service under the deceased Managing Broker's licensure during this ninety-day period. and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing Participants. *(Amended 02/11)*

Section 1.23 - Participant as Principal: If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through the Broker Listing Cooperative® listing service, that person shall disclose that interest when the listing is entered into the Broker Listing Cooperative® listing service and such information shall be disseminated to all Broker Listing Cooperative® listing service Participants.

However, if the seller or lessor gives written instructions to the listing broker that the cooperating

Section 2.7 - Reporting Sales to the Service: Status changes, including final closing of sales and sales prices, shall be reported to the listing service by the listing broker within two (2) full business days after they have occurred. Section 3.2 BLC®-Approved Lockboxes: All properties listed in the BLC® must have a BLC®-approved lockbox if any device giving access to real estate professionals and/or service providers is authorized by the seller and occupant and is placed on the property. “BLC®-approved” devices are not limited to lockboxes leased or sold by MIBOR Realtor® Association; any lockbox or access device that provides cooperating Participants and Subscribers with reasonable, timely access to listed property will satisfy this requirement.

For purposes of this rule, a lockbox provides “reasonable, timely access to listed property” if (1) it allows all Participants and Subscribers timely access to the listed property by reliance solely on data submitted to and residing on the BLC® or showing service company; (2) complete, accurate instructions are provided for accessing the listed property in the designated security code field; or (3) it ensures that the lockbox or device will provide reasonable access to listed property with any information, code or key needed to access the contents of the lockbox or device to be made available or access to the property otherwise scheduled within four [4] hours of initial contact in the event the lockbox or device requires the participating member to obtain additional information to enable access (for example, “call agent for code”) with said 4 hour response obligation in effect every day from 8am to 6pm.

The BLC® reserves the right to require that the device be submitted in advance for approval. The BLC® also may revoke the approval and/or subject the Participant to discipline if the device is used in a manner that fails to continue to satisfy this requirement. Failure to provide reasonable and timely access as required by this section will subject the listing agent to discipline and potential fines. More than one lockbox or access device may be used on a property as long as one of them is BLC®-approved.

Section 3.3 Disclosure Of Combinations: Gate codes, combination codes, access codes and security codes may be added as a separate attachment to a listing and/or in the Access Code or Showing Instructions field. In no event shall such codes be placed in the listing details, Public Remarks, or disclosed to third parties.

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or "safe harbors" from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of "online service provider" broadly, which would likely include listing services as well as Participants and Subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that Broker Listing Cooperative® Listing Service Participants and Subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests.
 - i. The agent could be the Participant, Subscriber, or other individual or entity.

2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see [17 U.S.C. §512](#).

those licensees affiliated with the Participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

- b) The source of the information must be prominently identified in the search results and in the display of the property's details. Listings obtained from non-BLC data must display the sources from which each such listing was obtained. Displays of minimum information (e.g. a one line or "thumbnail," text messages, "tweets" etc. of two hundred (200) characters or less) are exempted from this requirement but only when linked directly to a display that includes all required disclosures. (Amended 09/24)

Section 14.3.10 - Broker Listing Cooperatives® listing service must, if requested by a participant, promptly provide basic downloading of all active listings, sold listing data starting from January 1, 2012, non-confidential pending sale listing data, and other listings authorized by this policy. MLSs may not exclude any listings from the information which can be downloaded or displayed under IDX except those listings for which a seller has affirmatively directed that their listing or their property address does not appear on the Internet or other electronic forms of display or distribution. For purposes of this policy, "downloading" means electronic transmission of data from Broker Listing Cooperatives® listing service servers or MLS Grid to participants' servers on a persistent or transient basis, at the discretion of the Broker Listing Cooperatives® listing service. The Broker Listing Cooperatives® listing service's IDX download must be refreshed to accurately reflect all updates and status changes no less frequently than every twelve (12) hours. (Amended 5/17)

Section 14.3.11 - Participants are required to employ appropriate security protection such as firewalls on their websites and displays, provided that any security measures required may not be greater than those employed by the Broker Listing Cooperative® listing service. Each Participant shall make reasonable efforts to avoid "scraping" of the IDX Data by third parties or displaying of that data on any other website. Reasonable efforts shall include but not be limited to (a) Monitoring the website for signs that a third party is "scraping" data and (b) Prominently posting notice that any use search of data on the website, other than by a consumer looking to purchase real estate, is prohibited. If a Participant suspects "scraping" of the data has occurred, the suspicion and any evidence must be reported to the Broker Listing Cooperative® listing service and the MLS GRID, if applicable, immediately. (Amended 05/12)

Section 14.3.12 - Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information is larger than that of any third party. Participant shall present a true picture in their advertising and representations to the public, including the URLs and domain names they use, and Participant may not: (a) Engage in deceptive or unauthorized framing of real estate brokerage websites; (b) Manipulate (e.g., presenting content developed by others) listing content in any way that produces a deceptive or misleading result; or (c) Deceptively use metatags, keywords or other devices/methods to direct, drive, or divert Internet traffic, or to otherwise mislead consumers. (Adopted 02/11)

Section 14.3.13 - With a map display on an IDX website showing the locations of the listings matching a consumer's search with icons or pins, where a consumer may display a "pop-up" or "balloon" over the icon or pin by clicking or holding the mouse over it, required elements need not be displayed provided that (a) the consumer can click on the pop-up or balloon and view a page, including the listing information and the required elements; or (b) there is

a display elsewhere on the page on which the map appears that includes the listing information and the required elements for all such listings on the map.

Section 14.4 - In the event of any default by the Participant, or the occurrence of any event which Broker Listing Cooperative® listing service believes may constitute an event of default by the Vendor under these IDX Rules, including any violation of or noncompliance with the Data License Agreement, or failure by the Participant to pay any fees or fines owing to Broker Listing Cooperative® listing service or MLS GRID, Broker Listing Cooperative® listing service or MLS GRID may, at its option, and without prior notice to the Participant, and in their sole discretion temporarily suspend, or terminate, the license granted to Participant to access the IDX Data until all outstanding fees have been paid in full or the default has been cured.

Section 14.5 - Participant's IDX site must comply with The Digital Millennium Copyright Act of 1998 by including appropriate notification instructions to users. A Vendor or Participant that receives a DMCA notice of infringement must immediately (no later than 24 hours after receipt) notify Broker Listing Cooperative® listing service at helpdesk@miborsupport.com and MLS GRID at DMCANotice@MLSGrid.com. A Participant's IDX site must include the conspicuous display of the following two paragraphs:

The Digital Millennium Copyright Act of 1998, 17 U.S.C. § 512 (the "DMCA") provides recourse for copyright owners who believe that material appearing on the Internet infringes their rights under U.S. copyright law. If you believe in good faith that any content or material made available in connection with our website or services infringes your copyright, you (or your agent) may send us a notice requesting that the content or material be removed, or access to it blocked. Notices must be sent in writing by email to helpdesk@miborsupport.com and DMCANotice@MLSGrid.com.

The DMCA requires that your notice of alleged copyright infringement include the following information: (1) description of the copyrighted work that is the subject of claimed infringement; (2) description of the alleged infringing content and information sufficient to permit us to locate the content; (3) contact information for you, including your address, telephone number and email address; (4) a statement by you that you have a good faith belief that the content in the manner complained of is not authorized by the copyright owner, or its agent, or by the operation of any law; (5) a statement by you, signed under penalty of perjury, that the information in the notification is accurate and that you have the authority to enforce the copyrights that are claimed to be infringed; and (6) a physical or electronic signature of the copyright owner or a person authorized to act on the copyright owner's behalf. Failure to include all of the above information may result in the delay of the processing of your complaint.

Section 14.6 - Participant shall not indicate or imply in any manner that the Participant is a multiple listing service or broker listing cooperative, or that the consumer has access to or may search Participant's applicable MLS/BLC®. For example, Participant shall not state that the consumer may "search the MLS"/"search the BLC®" or "access the MLS"/"access the BLC®," or similar language. Broker Listing Cooperative® listing service reserves the right to object to any Participant's company name or domain name, if Broker Listing Cooperative® listing service believes in its sole discretion the name used is confusingly similar to any name used in commerce by MLS GRID or Broker Listing Cooperative® listing service. MLS GRID and Broker Listing Cooperative® listing service similarly reserves the right to object to the use of any combination of the words "Multiple" (or "Multi"), "Listing" (or "List"), or "Service" (or "System"). Participants using prohibited language will not be granted access to IDX Data for IDX display.

Section 14.7 - Fees and charges for participation in IDX services from MLS GRID shall be as established by Broker Listing Cooperative® listing service. Costs incurred by MLS GRID in providing MLS GRID Data to Participant may be assessed by MLS GRID to the Participant at its sole discretion.

Failure to adhere to these IDX Rules may result in a fine in an amount specified by the Broker Listing Cooperative® listing service. MLS GRID or the Broker Listing Cooperative® listing service will notify the Participant of any

violation of these IDX Rules, and the amount of the corresponding fine for non-compliance. Participants who have received more than one notification for the same infraction within 180-day period, a \$250 habitual fine will be levied. This fine will increase to \$500 upon the third notification, and \$1000 and possible termination of the IDX Master Data License Agreement upon fourth notification.

Virtual Office Website (VOW) Rules for Broker Listing Cooperative® listing services

Section 15.1.1 A “Virtual Office Website” (VOW) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search Broker Listing Cooperative® listing service listing information, subject to the Participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant’s oversight, supervision, and accountability.

Section 15.1.2 - As used in Section 15 of these Rules, the term “Participant” includes a Participant’s affiliated nonprincipal brokers and sales licensees – except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.

Section 15.1.3 - “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the Broker Listing Cooperative® listing service by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use Broker Listing Cooperative® listing service Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to Broker Listing Cooperative® listing service Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

Section 15.1.4 - As used in Section 15 of these Rules, the term “Broker Listing Cooperative® listing service Listing Information” refers to active listing information and sold data provided by Participants to the Broker Listing Cooperative® listing service and aggregated and distributed by the Broker Listing Cooperative® listing service to Participants.

Section 15.2 (a) - The right of a Participant’s VOW to display Broker Listing Cooperative® listing service Listing Information is limited to that supplied by the Broker Listing Cooperative® listing service(s) in which the Participant has participatory rights. However, a Participant with offices participating in different Broker Listing Cooperative® listing services may operate a master website with links to the VOWs of the other offices.

Section 15.2 (b) - Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (“IDX”).

Section 15.2 (c) - Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other Broker Listing Cooperative® listing service Participants whose listings will be displayed on the Participant’s VOW.

Section 15.3 (a): Before permitting any consumer to search for or retrieve any Broker Listing Cooperative® listing service Listing Information on his or her VOW, the Participant must take each of the following steps:

- i. The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
- ii. The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.
- iii. The Participant must require each Registrant to have a username and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the username and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one username and password.

Section 15.3 (b) - The Participant must assure that each Registrant’s password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, username, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.

Section 15.3 (c) - If the Broker Listing Cooperative® listing service has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of Broker Listing Cooperative® listing service Listing Information or a violation of Broker Listing Cooperative® listing service rules, the Participant shall, upon request of the Broker Listing Cooperative® listing service, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the Broker Listing Cooperative® listing service, provide an audit trail of activity by any such Registrant.

Section 15.3 (d) - The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:

- i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
- ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;
- iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
- iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant’s consideration of the purchase or sale of an individual property;
- v. That the Registrant acknowledges the Broker Listing Cooperative® listing service’s ownership of, and the validity of the Broker Listing Cooperative® listing service’s copyright in, the Broker Listing Cooperative® listing service database.

Section 15.3 (e) - The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating

representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

Section 15.3 (f) - The Terms of Use Agreement shall also expressly authorize the Broker Listing Cooperative® listing service, and other Broker Listing Cooperative® listing service Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with Broker Listing Cooperative® listing service rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 15.4 - A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a nonprincipal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 15.5 - A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of Broker Listing Cooperative® listing service Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the Broker Listing Cooperative® listing service.

Section 15.6 (a) - A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the Broker Listing Cooperative® listing service that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

Section 15.6 (b) - A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

1. Please check either Option a or Option b
 - a. ☐ I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.
OR
 - b. ☐ I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.
2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

Initials of seller

Section 15.6 (c) - The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 15.7 (a) - Subject to subsection (b), a Participant's VOW may allow third-parties (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

Section 15.7 (b) - Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the Broker Listing Cooperative® listing service that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 15.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

Section 15.8 - A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the Broker Listing Cooperative® listing service and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within two (2) full business days following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 15.9 - A Participant shall cause the Broker Listing Cooperative® listing service Listing Information available on its VOW to be refreshed at least once every twelve (12) hours.

Section 15.10 - Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable Broker Listing Cooperative® listing service rules or policies, no Participant shall distribute, provide, or make accessible any portion of the Broker Listing Cooperative® listing service Listing Information to any person or entity.

Section 15.11 - A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 15.12 - A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, and whether the listing broker is a REALTOR®.

Section 15.13 - A Participant who intends to operate a VOW to display Broker Listing Cooperative® listing service Listing Information must notify the Broker Listing Cooperative® listing service of its intention to establish a VOW and must make the VOW readily accessible to the Broker Listing Cooperative® listing service and to all Broker Listing Cooperative® listing service Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable Broker Listing Cooperative® listing service rules or policies.

Section 15.14 - A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section: 15.15 - A Participant's VOW may not make available for search by or display to Registrants any of the following information:

- a. expired and withdrawn listings
- b. sales price on sold data if the actual sales price of completed transactions is not accessible from public records (Amended 5/21)
- c. the type of listing agreement, i.e., exclusive right-to-sell or exclusive agency
- d. the seller's and occupant's name(s), phone number(s), or e-mail address(es)
- e. instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property

Section 15.16 - A Participant shall not change the content of any Broker Listing Cooperative® listing service Listing Information that is displayed on a VOW from the content as it is provided in the Broker Listing Cooperative® listing service. The Participant may, however, augment Broker Listing Cooperative® listing service Listing Information with additional information not otherwise prohibited by these Rules or by other applicable Broker Listing Cooperative® listing service rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of Broker Listing Cooperative® listing service Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields

Section 15.17 - A Participant shall cause to be placed on his or her VOW a notice indicating that the Broker Listing Cooperative® listing service Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the Broker Listing Cooperative® listing service and include the copyright statement "© (current year) MIBOR REALTOR® Association".

Section 15.18 - A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm, and the email or phone number provided by the listing participant in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data. (Amended 11/21)

Section 15.19 - A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings or fifty percent (50%) of the listings in the Broker Listing Cooperative® listing service, whichever is less. (Amended 11/17)

Section 15.20 - A Participant shall require that Registrants' passwords be reconfirmed or changed every 90 days.

Section 15.21 - A Participant may display advertising and the identification of other entities (“co-branding”) on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 15.22 (a) - A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another Broker Listing Cooperative® listing service or from a broker not participating in the Broker Listing Cooperative® listing service, to identify the source of the listing.

Section 15.22 (b) - A Participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another Broker Listing Cooperative® listing service or from a broker not participating in the Broker Listing Cooperative® listing service, to be searched separately from listings in the Broker Listing Cooperative® listing service.

Section 15.23 - Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the Broker Listing Cooperative® listing service. *(Adopted 2/09)*

Section 15.25 - One Data Source: At the request of a participant, the BLC® will provide the single data feed for that participant’s licensed uses to that participant’s designee. The designee may use the single data feed only to facilitate that participant’s licensed uses on behalf of that participant. *(Adopted 7/22) (Adopted by NAR 11/21)*

Section 15.26 Brokerage Back Office Feed: BLC® Participants are entitled to and BLC® will provide to participants the BBO Data for BBO Use subject to our terms of use. “BBO Data” means all real property listing and roster information in the BLC® database, including all listings of all participants, but excludes (i) MLS only fields (those fields only visible to MLS staff and the listing participant), and (ii) fields and content to which MLS does not have a sufficient license for use in the Brokerage Back Office Feed.

“BBO Use” means use of BBO Data by participant and subscribers affiliated with the participant for the following purposes:

- Brokerage management systems that only expose BBO Data to participant and subscribers affiliated with participant.
- Customer relationship management (CRM) and transaction management tools that only expose the BBO Data to participant, subscribers affiliated with participant, and their bona fide clients as established under state law.
- Agent and brokerage productivity and ranking tools and reports that only exposes BBO Data to participant and subscribers affiliated with participant.
- Marketplace statistical analysis and reports in conformance with NAR MLS Policy Statement 7.80, which allows for certain public distribution.

BBO Use may only be made by participant and subscriber affiliated with participant, except that at the request of a participant, MLS must provide BBO Data to that participant’s designee. The designee may use the BBO Data only to facilitate the BBO Use on behalf of that participant and its affiliated subscribers.

There is no option for participants to opt-out their listings from the Brokerage Back Office Feed Use as defined.

For the purposes of this Section, “terms of use” means the following:

- The BLC® may impose reasonable licensing provisions and fees related to participant's license to use Brokerage Back Office Feed Data. The BLC® may require the participant's designee to sign the same or a separate and different license agreement from what is signed by the participant. Such provisions in a license agreement may include those typical to the BLC®'s data licensing practices, such as security requirements, rights to equitable relief, and dispute resolution terms. (The foregoing examples are not a limitation on the types of provisions the BLC® may have in a license agreement.)
- Use of roster information may be limited by the BLC® participation agreement and license agreements.
- Brokerage Back Office Feed Use is subject to other NAR MLS policies and local rules.
- The BLC® in its reasonable discretion may expand the definition of Brokerage Back Office Feed Use in conformance with other NAR MLS policies, such as Policy Statement 7.85, which provides that "Use of listings and listing information by MLSs for purposes other than the defined purpose of MLS requires participants' consent." (Adopted 7/22) (Adopted by NAR 11/21) M
